TERMS AND CONDITIONS

Design Process

After contacting us about your design project, we will call or meet with you for an initial free consultation. During the consultation, we will discuss your project and gather information for the designing stage and create an estimate for your project. If you chose to proceed, we will write up and send you a design services contract, listing the project specs as discussed to look over and sign. Designing will NOT begin until the design services contract is signed and returned with the initial payment.

The Fine Print

Design documents including, but not limited to, sketches/comps, designs, illustrations, photography, models, and all other design documents are the exclusive property of the Designer. Exclusive copyright of these materials is reserved by the Designer; upon full payment of all fees and costs, the Client is granted the right to use the designs as per project contract. All other rights remain the exclusive property of the Designer.
